

COMPANY OVERVIEW

Cotangent Tech Inc. is a U.S. small business and Michigan corporation that builds, supports, and modernizes software. We serve federal agencies directly and as a subcontractor or teaming partner, as well as commercial clients.

CORE COMPETENCIES

Existing system support and development

- Microsoft Dynamics 365 configuration, extension, reporting, and integration
- SharePoint (Online and Server) sites, permissions, and migrations
- Power Platform apps and automated workflows

Custom software and web applications

- Web applications, portals, internal tools, APIs, and system integrations
- Section 508 and WCAG 2.1 AA accessible interfaces

Legacy system modernization

- Code and data assessments with written findings
- COBOL and legacy application maintenance; staged migration to supported platforms

Cloud, DevOps, and data

- Cloud hosting setup and migration; automated build and deployment pipelines
- Database design and tuning, data pipelines, backup and recovery planning

DIFFERENTIATORS

- Direct access to the principal engineer on every engagement
- Enterprise platform support and custom development from one provider
- Accessibility and contract security requirements built into delivery
- Written scope and pricing; accounting that separates direct, indirect, and unallowable costs
- U.S.-based company, headquartered in Michigan

PAST PERFORMANCE

[Add past performance: customer, project or contract, period, value, and scope. A new company may list the founder's relevant prior experience, labeled as such.]
